Important Client Information

Global Trustee Services, Inc. Providing World-Wide Service

Global Trustee Services, Inc. (GTS), Incorporated in 1989 I based in Las Vegas, Nevada USA. GTS has been assisting US and International Clients World-Wide in asset control and full trustee services. GTS serves only Clients in Good-Standing with GTS. As an international Client, one may protect his/her assets, as well as lower or eliminate estate taxes. GTS Clients may use their Nevada Corporation for International development projects, or as an asset to improve profits to their primary international business.

Clients select their own Nevada Corporate Name that appears on all corporate documents. If required, a new USA-Tax ID Number will be acquired.

All newly acquired Corporations are the **“Sole property of the Client.”** GTS provides its international Clients with a full and complete corporate structure including: Certificate of Incorporate, customized Articles of Incorporation,

By-Laws, complete set of forms for meetings of stockholders and Directors, Corporate Resolutions, as needed, Stock Certificates, and a Corporate Seal, all contained in the corporation’s custom binder. The Corporate Resident Agent will receive all Legal Service, and will maintain all files required by the State of Nevada. Each corporation owned by a non-USA resident has a Nominee Officer that serves the company in name only. This Nominee Officer acts only on behalf of the Owner. The acquisition of an aged corporation by GTS is a service only to its Clients.

GTS must receive written instruction from its Client before the transfer of any asset from the “Client Trust Account.” “ALL TRANSACTIONS” to and from GTS Client Trust Account must have proper authorization code from the Client.

By its Charter, GTS cannot enter into any partnership agreements with Clients. Therefore, **“GTS is not a “Partner”** in any venture or with its clients. GTS is a service Company only, all

services are fee driven, and are to be paid by the Client as per Written Agreement before GTS services are provided.

GTS, while serving in a Fiduciary Capacity, can assist its clients with many of its compliance requirements. GTS will also work with its clients’ Legal and Accounting Professionals as required.

Affidavit from All Clients:

All Clients agree and understand that they must affirm under the penalty of perjury that they have not been solicited by GTS or its Officers to become a Client of GTS. By submitting “New Client Documents” to GTS or its Officers the Client agrees to comply with all policies set forth by GTS, as well as, all International Laws. All Clients must also affirm that all Assets or funds placed with GTS for the Clients benefit are the Clients, and are under their total control, as well as being from a legal origin. All Clients must also affirm that they do not now, nor have they ever supported terrorism in any form.
